

TRUXTON CELEBRATES 14TH ANNIVERSARY THANK YOU...!!!

TRUXTON TRUST
A PRIVATE BANK

Thomas S. Stumb
Chairman and
Chief Executive Officer

They say time flies when you're having fun and/or when you're working hard. For fourteen years now, we've been blessed to be doing both.

We opened for business on August 30, 2004. Our opening was preceded by a nine month period during which we raised capital, applied for a bank charter with the Tennessee Department of Financial Institutions, recruited our initial group of employees and directors, and installed all of the systems necessary to operate a private bank and trust company.

On opening day, we had twelve employees. Today we have sixty. In fourteen years, we've grown our capital from \$20 million to upwards of \$52 million. We've paid \$13.4 million in federal income taxes plus \$1.4 million in state income taxes and distributed over \$8 million in dividends to our shareholders. Recently our bank eclipsed \$500 million in total assets for the first time and we now manage over \$1 billion worth of assets for our wealth management clients. We still have yet to charge off any loan that we've originated.

Almost a decade and a half ago, our founders raised \$20 million to start this new bank we call Truxton Trust Company. The minimum investment was \$10,000, the maximum \$300,000. The share price then was \$10; the most recent trade (as of this writing) was \$39 (OTCPK: TRUX). Our company's statistical performance measured by return on assets and return on equity ranks in the top 10% of all banks in the country.

As we crest the fourteen year mark in our company's evolution, I want to thank everyone who has been engaged in our success: our shareholders, our employees, and our clients.

To our shareholders: thank you for believing in us.

To our employees: thank you for your hard work and your commitment to do the

right thing for our clients every day.

To our clients: thank you for trusting us to give you and your family sound financial advice and keep your money safe.

It has been a grand privilege for me to get to work for each and every one of you: our shareholders, employees and clients, over the past fourteen years. It has been hard work for sure, but it has also been a lot of fun. Thank you all for that privilege. ■
